Magnus Forsberg

BAE SYSTEMS

"In only one day, we had the opportunity to meet with more than fifteen qualified suppliers that were identified by STIQ. Thereby, we obtained a series of highly productive meetings in a short time. It's the best day and the best organization that I have ever experienced."

Olivier Casenave-Péré

"This event organized by STIQ is the best industrial B2B meeting event which I have attended. I have nothing but congratulations to convey on the behalf of Lockheed Martin Canada. See you next year for your 10th!"

"The event was a total success for our company. STIQ was able to present us with suppliers who met our needs perfectly. Thus we discovered innovative Quebec companies to whom we subsequently awarded various contracts as part of a major project."
